

2010 APPLICATION FOR *FRIENDS OF THE MARKET*

The North Creek Farmers' Market Association is ready for its second year, which will kick off on June 17 on the bank of the Hudson River next to the Upper Hudson River Railroad station.

The market was a grassroots idea, and continues as a grassroots effort by community residents and area farmers, bakers and artisans interested in promoting locally grown or produced food, flowers, crops and other products.

The Association needs your support – and there are many ways to help:

- First, **come enjoy the Market** and tell everyone you know that we're here!
- Second, join the Association as a **Friend of the Market**, at the level of support you can afford.
- Be a **Market Sponsor!** Help get this Market off the ground and continue your support to keep local products available for years to come.

Be a Market Sponsor or Friend!

The North Creek Farmers' Market depends on the support of local businesses to defray the costs associated with operating the market. As our partners, these sponsors share our commitment to champion local food producers.
